The treatment of personal data from the member collected by Luxembourg Air Rescue is strictly confidential and personal data will only be disclosed to third parties if the member has expressly agreed to do so.

Services by LAR are subject to the member registration made prior to departure abroad and to the payment of the membership fee for the current year. Since all services are provided on a personal or technical basis and with existing equipment, LAR provides these services without any mandatory legal obligation. All missions are achieved with regard to priority, medical, social and operational criteria. LAR A.s.b.l. determines the manner and timeframe of the mission.
